# WHY Listen **EVERYWHERE**?

**TV AUDIO**

**ASSISTIVE LISTENING**

**WAITING AREAS**
Listen EVERYWHERE is the premier streaming Wi-Fi solution for houses of worship, hospitality, restaurants, universities and many other venues.

Listen EVERYWHERE provides high-quality audio directly to users' smartphones via a free app.

## IT'S SIMPLE

**Download the Free Listen EVERYWHERE App**

**Connect to the venue's wireless network**

**Choose your desired channel**

# REIMAGINE WIRELESS LISTENING

Listen EVERYWHERE makes it simple and cost effective to enable assistive listening, language interpretation, and multiple room/channel audio delivery to guest's smartphones.

Listen EVERYWHERE uses a venue's existing wireless network, has ultra-low latency, and can accommodate 1,000 users per server.

## ASSISTIVE LISTENING

**Mixer**

**LW-100P-02 Server**

- Houses of Worship

## MULTIPLE TV LISTENING

TV1   TV2   TV3   TV4

**LW-200P-04 Server**

- Restaurants
- Sports Bars
- Student Unions

# THE CUSTOMIZABLE LISTEN EVERYWHERE APP

## The Listen EVERYWHERE app allows the venue to fully customize and brand their system

### In App Features

**Text Banners**
Text banners allow you to insert updated content quickly and easily.

**Sliding Promotional Banners**
Upload ads, coupons, promotions, or special events banners that can click through to your menu, websites, or additional information.

**Welcome Ad or Video**
The first thing customers see when opening the app; set the number of seconds before your welcome ad or video can be skipped.

**Custom Content**
Link to websites, event agendas, PDFs and any other custom content.

**Custom Labels for Channels**
Channel logos and other graphics make it easy for guests to find their desired channel.

**Download the App & Try the Demo at: www.listeneverywhere.com**

Tap on channels, banner ads, offers and PDFs to see and hear just like in a live venue.

1. Fire up the app
2. Select "About" from the menu
3. Turn on "Enable Demo Mode"
4. Select "Venue scan"

Download on the App Store
